1 for 17-mile (Word file and 3 attachments)

For lower 8.3 miles, we actually did 2 – one for the 1<sup>st</sup> time we went to CSTAG (2008) and one for the time we went to NRRB-CSTAG combined (Nov 2012). They are both attached.

Note that John Prince is a great resource for this sort of question – he may have other CSTAG memos that he knows were most effective.
